

Petition for Temporary Alternate Pathway for COMLEX-USA Level 3 Attestation for DO Graduates

The NBOME requires an attestation from a residency program director indicating a resident is in good academic and professional standing in order to take the COMLEX-USA Level 3 examination.

The NBOME will accept a request from a dean of a college of osteopathic medicine for a temporary alternate pathway for COMLEX-USA Level 3 attestation. The dean will attest the candidate was in good academic and professional standing based on the conditions outlined on the petition guidelines.

Instructions to complete the form: Sections 1 and 2 are to be completed by the CANDIDATE and then forwarded to your DEAN to complete Section 3. Once the form is completed, please mail or email to the address provided below. By submitting to your dean, you have accepted these conditions.
