

# NATIONAL BOARD OF OSTEOPATHIC MEDICAL EXAMINERS

## INSTRUCTIONS FOR RESEARCH PROPOSAL GRANT APPLICATION SHORT FORM (initial application)

### NBOME Research Committee Grant Application Phase 1: short form proposal

To help us understand your proposed project and consider the next steps for a comprehensive application, please complete the brief form below.

Your proposal will be reviewed by members of the NBOME Research Committee. If favorably reviewed, you will be notified within 4-6 weeks to submit a full proposal.

Research grant distribution will favor projects that:

- Align with the [mission](#) and [strategic plan](#) of the NBOME
- Add to the validity evidence for osteopathically distinctive assessment, including (but not limited to) NBOME assessments, such as COMLEX-USA , COMAT and C3DO.
- Investigate potential improvements or enhancements to our profession's self-regulatory mandate

**1. Project Title:**

**2. Primary Investigator and Team:** (and faculty role, if applicable, at a college of osteopathic medicine or in a residency program):

**3. Project Overview:**

Please provide a brief summary (less than 250 words) of the research project, including background, relevant literature, objectives/hypothesis, proposed methods, and key goals/outcome measures.

**4. Timeline:**

What is the proposed timeline for the project, including start and end dates?

**5. Roles and Responsibilities:**

What are the expected roles of each party in the collaboration? Please be specific.

**6. Data Use and Sharing:**

Is there a need for a data-sharing agreement with NBOME? What data will be shared between parties? Are there any specific data protection or compliance considerations?

**7. Expected Outcomes/Dissemination:**

What are the intended results of the collaboration (e.g., publication, data, tools, policy recommendations)?

**8. Has the proposal been reviewed and approved, or given exempt status, by an IRB?**

**9. Brief budget request**

Additional details will be requested on full proposal. (Note that NBOME does not allow indirect costs.)

Additional information, timelines and next steps can be found [here](#).

Please send your completed proposal to [Research@nbome.org](mailto:Research@nbome.org).

Thank you for your interest!

NBOME Research Committee
